--- Series of 1880-81 - 1/2 lb. on 2 pounds Quebec Division - TABAC CANADIEN / EN TORQUETTE ---

--- lithographed in green ink - perforated 12 - 238 x 20 mm - 4 mm. blue controls - scanned at 67% scale ---

On July 1st 1883 the Department declared that all green strips in the denominations of 1/20th, 1/10th and 2 pounds were obsolete. Subsequently BABN overprinted the obsolete sheets to new denominations.

The catalogue lists this **1/2 lb.** overprint on the 2 pound Quebec TABAC CANADIEN strip as follows:

RT-161 - **1/2 lb.** on 2 pound RT-33a, green, perf 12, Quebec Division, on *unwatermarked* horizontal mesh wove

---

--- RT-161 - 1/2 lb. overprint on RT-33a - perforated 12 - on *unwatermarked* horizontal mesh wove ---

The collection ***does not contain*** a copy of the **1/2 lb.** overprint on the perforated two pound Quebec Division strip lithographed on *unwatermarked* horizontal mesh wove. The controls are probably in 1/2 pound generic sequence.

from the collection of Fritz Angst

RT-161 - **1/2 lb.** on 2 pound RT-33, green, perforated 12, Quebec Division, control number **030232**
Lithographed on *unwatermarked* horizontal mesh wove - stamped **8-11-84** on November 8th 1884
